EDUCATION

BSc Software Engineering

University of Engineering & Technology,
Taxila, Pakistan

2015 - 2020

CGPA: 3.66

Courses

- OOP
- Software Testing
- Software Quality Engineering
- Data ware house & Data mining
- Artificial Intelligence
- Java
- Android development
- Database Management

FSc Pre-Engineering

Fazaia Inter College Jinnah Camp Chakalala

2013 - 2015

Percentage: 86.18

Matriculation (Science)

Fazaia Inter College Jinnah Camp Chakalala

2011 - 2013

Percentage: 89.90

WORK EXPERIENCE

Internship

PTCL Headquarter G-8 Mauve Area Block-E G-8, Islamabad

11/2019 - 2020

Islamabad

Achievements/Tasks

- Worked in Database department.
- Learned using SQL commands in Linux Operating system.

Junior Software Engineer

Plan D Studios

11/2019 - 2020

Rawalpindi

A software house working on multiple web, Android and IOS projects.

Achievements/Tasks

- Currently working on MVC framework (Codeigniter).

SKILLS

C++ / C#

HTML/CSS

PHP

Ajax

Angular js

SQL

JQuery

Javascript

MySQL

JAVA

Android

ASP.NET

PERSONAL PROJECTS

Final Year Project (Commercial Insurance APP using AI) (2018 - 2019)

- It is an industrial based project for Takaful Emarat. Our main objective is to convert their insurance website into an app and provide them with some other beneficial features. It would allow company to keep track of customers driving patterns and classify drivers as good or bad. It would also provide user with a health age predictor. Also we can claim accidents through location tracker. Moreover we provide user with a chat bot for getting answers about their queries.

Database Management system for Railway

- It was made using Oracle.

Khaadi Website

- HTML and CSS was used for this project

Railway Reservation System Website

- Visual studio was used for making it along with MySQL database.

Testing of Railway Reservation Website

- Black box as well as White box testing was performed. Automated testing was done through selenium.

Face Recognition System

Testing of Airplane Management System

- black box and white box testing was performed.

CERTIFICATES

- Microsoft Office Specialist

Microsoft Office 2016

- Certificates for debating in school/college.

INTERESTS

Web development

Database Management

Software Testing

Quality Assurance

Data mining & warehouse

Android Development

Machine Learning

PERSONAL STATEMENT:

A highly devoted individual aiming to learn and excel in modern tool and technologies.

EDUCATION:

B.Sc. Software Engineering University of Engineering and Technology, Taxila	2015-2019 CGPA 3.66
F.Sc. Pre Engineering Fazaia Inter College Jinnah Camp, chakalala, Rwp	2013-2015 948/1100
Matric Fazaia Inter College Jinnah Camp, chakalala, Rwp	2011-2013 944/1050

ACHIEVEMENTS:

- Awarded merit scholarship from Shaheen Foundation in university.
- Conferred Shahbaz Sharif Laptop for securing Good GPA in university.
- Acted as Joint Secretary at SoftDesk Society in Uet Taxila.
Acted as Executive member in IEEE society.

EXPERIENCE:

PLAN D STUDIOS (Currently working)

I am working here as a jr. Web Developer. I am working here on MVC framework codeigniter.

INTERNSHIP

Four weeks internship at PTCL head office in G 8/3, Islamabad as a database internee.

ACADEMIC PROJECTS:

- Airplane Reservation System (Object Oriented Programming)
- Testing of Airplane Reservation System (SQE)
- Railway Reservation System (DBMS, Web Technology & IAD).
- C++ Short Compiler (SC).
- Human Face Detection (DIP & AI)
- Testing of Pakistan Railway Reservation website (ST)
- Health age prediction (Data Mining)

- Manual Testing of Railway Reservation System.
- SRS and SDD of Railway Reservation System

SOFTWARE SKILLS:

Programming Languages

- C++
- Java
- C#
- Python

Web Development

- HTML, HTML5
- CSS, CSS3
- Bootstrap
- JavaScript
- JQuery
- ASP.Net
- PHP

Databases

- MySQL
- ORACLE Database
- Mongo dB

Others

- Testing QA
- UML Diagrams
- Requirement Gathering

TOOLS KNOWLEDGE:

- DevC++
- SqlDeveloper
- MySQL
- Oracle
- Eclipse
- Test Complete
- Selenium
- Edraw Max
- Star UML
- Matlab

- Weka
- Android Studio
- Visual Studio
- Sublime

KEY SKILLS:

Knowledge of

- MS Word
- MS Power Point

Key Competencies

- Teamwork
- Responsibility
- Communication

Personal Skills

- Competence
- Attentiveness
- Cooperation
- Flexibility
- Management
- Critical Analysis
- Hard Working

Hobbies & Interests

- Machine Learning
- Reading Novels
- Internet Surfing

Languages

- English
- Urdu
